

Hieronder een overzicht van de literatuur die ik gebruikt heb in mijn literatuurstudie naar het leren van letter-klankkoppelingen. Als je specifieke vragen hebt over de literatuur (of op zoek bent naar een specifieke kwestie die tijdens mijn presentatie aan bod kwam), stuur me dan een berichtje via LinkedIn of e-mail (s.aravena@rid.nl). In het boek “Effectief lees- en spellingonderwijs: Informatie, inspiratie en ideeën bij praktische vragen” dat ik samen met Madelon van den Boer schreef, gaat het eerste hoofdstuk volledig over vragen rondom letteronderwijs. Daar zijn ook alle bronnen terug te vinden en verdere uitleg.
